#### PROFESSIONAL EXPERIENCE

### **Information Technology Intern**

Rwanda Development Board

03/2024 - 06/2024

- Technical Support & Infrastructure Maintenance: Provided frontline technical support to end-users, resolved hardware and software issues, and assisted in maintaining network and system infrastructure, ensuring smooth operations and minimizing downtime.
- Contributed ideas towards improving customer service levels through technological advancements.
- Performed system administration tasks such as user account management and server maintenance.
- Developed and tested software applications using Java, React.js, HTML, and CSS languages.
- Installed, configured, and maintained network cabling and other networking equipment.
- Implemented security measures such as firewalls, antivirus programs, and encryption protocols.
- Communicated project information through presentations and technical reports.
- Demonstrated problem-solving skills by troubleshooting and resolving technical issues.

#### **Customer service operator**

**AIRTEL Rwanda** 

06/2023 - 09/2023

- Answered customer inquiries about products, services, policies, and procedures, ensuring high levels of customer satisfaction.
- Processed orders and returns, assisting customers in placing orders and handling returns efficiently.
- Provided technical support, troubleshooting issues, and offering technical assistance to customers.
- Demonstrated multitasking abilities by handling multiple customer cases simultaneously.
- Utilized problem-solving skills to resolve customer issues effectively.

#### **Bridge Program Participant**

Carnegie Mellon University Africa

01/2023 - 04/2023

- Gained hands-on experience in IoT concepts and embedded systems, enhancing technical proficiency for graduate-level studies.
- Developed advanced presentational and essay writing skills to effectively communicate complex ideas.
- Showcased innovation by working on projects involving embedded systems and IoT.
- Enhanced problem-solving and adaptability skills in a dynamic learning environment.
